Address: Noida

Profile Summary

o A dedicated **web developer** with strong **problem-solving skills**, adept at creating **interactive** and **user-friendly** projects.
o Proficient in **frontend development**, with hands-on experience in building **responsive** and **engaging** web applications.
o Developed a **Personal Portfolio website**, **Tour & Travel website** and an **API-Integrated Dictionary App**.
o Successfully integrated **external APIs** to enhance functionality and **user experience** across projects, ensuring seamless access to relevant **data** and **resources**.
o Dedicated to ongoing professional **development** and excited to apply my **abilities** within a dynamic IT environment.

Academic Projects

Tour & Travel Website   **May 2024 – June 2024**
Tools: HTML, CSS, JavaScript
A dynamic website for booking tours and travel packages, providing users with detailed itineraries, booking options, and travel guide.
Responsibilities:
o Designed and developed the user interface using HTML and CSS, ensuring a responsive and visually appealing design across various devices.
o Implemented JavaScript features, boosting user engagement by 40%.
o Optimized the website for performance, achieving an average load time of 1.5 sec.
o Project Link :- https://rohit5377.github.io/Travel-website/

Personal Portfolio Website   **April 2024 – May 2024**
Tools: HTML, CSS, JavaScript
A personal portfolio website to showcase projects, skills, and professional experience, providing an online presence and contact platform.
Responsibilities:
o Designed a responsive layout using HTML and CSS, compatible with over 20 screen sizes.
o Optimized images to achieve an average page load time of 1.8 seconds.
o Implemented a contact form with JavaScript validation, increasing form submission by 20%.
o Project Link :- https://rohit5377.github.io/Personal-Portfolio-Website/

API Integrated Dictionary App   **March 2022 – April 2024**
Tools: HTML, CSS, JavaScript, APIs
A dictionary application that integrates with an external API to provide word definitions, synonyms and examples.
Responsibilities:
o Developed a user-friendly interface using HTML and CSS, compatible with 98% of devices.
o Implemented API integration with JavaScript, reducing response time to 1.2 sec.
o Enhanced search functionality, reducing search times by 40%.
o Project Link:- https://rohit5377.github.io/API-Integrated-Dictonary-App/

Academic Achievements

o Secured the 3rd rank in Class 10th in Narayana Public School and 2nd rank in Class 12th in St. R.V. Convent School.
o Ranked among the top 10 students in my graduating class during undergraduate studies.
